

Octavius pride themselves on delivering clear and up to date information to local communities to support the delivery of schemes and improvements for

Essex

Works communicated to local residents, businesses & key stakeholders via letters, newsletters & emails

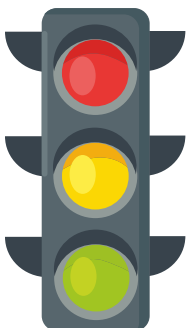

Face to face briefings with parish councils, local authorities & partners to inform of upcoming and ongoing schemes & identify potential issues

Delivered almost 30 schemes since 2017

Collaborative planning to deliver one set of traffic management

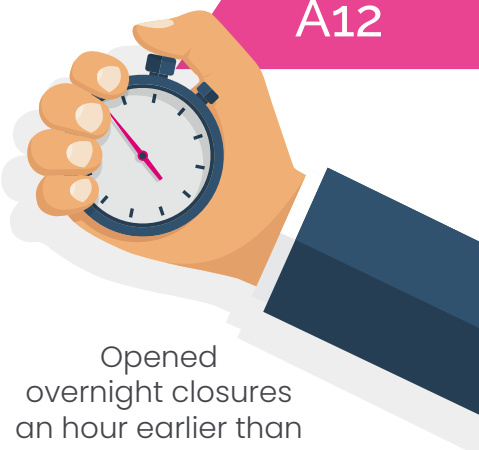

Improved visual landscaping

Additional signage to help local businesses

A12

Opened overnight closures an hour earlier than planned

"We have been very impressed with Octavius who have been very professional and considerate throughout the works. It has been very quiet for us and we have not been disturbed at all."
